Sheet _____ of _____

DIRECTIONS:

2012 SLC Current and New Officer Registration

Purpose of Form:

To determine if any of your members are current state officers, new state officers, current national officers or candidates for national offices.

Reason to Know:

Members holding offices cannot be available for meetings and compete in a STAR or Proficiency Event. Competition times can interfere with their officer duties or other obligations.

INSTRUCTIONS:

If you do not have a member acting in an officer capacity, fill in the name of your chapter, the chapter's contact, phone number and sign block one.

If you do have a member or members acting in any of these officer capacities, fill out a block for each member and circle all types of officers that apply. For example, if you have a Current State Officer who is also a New State Officer and applying to be a National Officer Candidate, circle CSO, NSO & NNO. If this officer is competing, indicate the event in the line provided. If this officer is NOT competing, indicate an X in the box next to applicable statement.

Fill out a block for each member acting as an officer.

Once all members that are acting in as an officer or want to be a national officer have been completed, have the adviser review and sign-off in block 7.

Make copies of this form if extra sheets are needed.
